Chairman's Report End February 2019

With Cyclone Oma hanging around for the best part of the Month of February it was pretty hard to get offshore for a fish, although there was a couple of us managed to get out there early in the month and get some marlin action.

Tony Clarke got a cracker of a fish estimated at around 74kg by the billfish graphs. Grahame Rose got a nice fish also but unfortunately it died on him, but the smoked marlin was very nice thanks Grahame.

Our fish of the month didn't go off again not for the want of me trying to get a Mackerel, but I could only manage one that was too small. This means the Mack Tuna for this month is worth a massive \$350, so I would expect that to be a challenge for plenty.

A group of us went to Borumba Dam for the annual Tag A Toga competition run by our friends at the Kingaroy Sportfish Club. We had a great weekend with 2 teams participating. Kingfisher with Jon Eagle (Frankenstein), Vaughn Daley (Barnie Rubble) and Mick King (Fred Flintstone). While on Little Wing we had Ryan Grech (Gilligan) Myself (Thurston Howell the 3rd) and Greg Skinner (skipper). As usual our ladies made their presence felt with some great Dress up which was movie themed and the Gilligan's Island team took out 1st prize with the Flintstones coming a close 2nd. On the fishing front we managed to improve once again this year, Little Wing tagging 7 Saratoga for the weekend and Kingfisher tagged 4 Saratoga and 2 bass.

With only 4 weeks until our annual sportfish Competition which will be held on the 6th and 7th April, it's time to get your teams sorted, rules and entry form are available on our website now.

Stay safe and good fishing.

Noel

Club Captain's Report

Another month has passed with not much to report other than a few of us attending Billfish Babes at Mooloolaba. This event allows boats to dress up in a team, great day on the water with perfect seas and of course and the usual excitement of Marlin raising their heads.

We are currently organising the next Sportfish event in April and would be most happy if we had some more ground crew to assist. More to report for March fishing events next time.

Weigh Master's Report

Once again the weather Gods weren't too kind to us for our Monthly Weigh-in Barbie afternoon with winds around 20knts. The afternoon was attended by a small but enthusiastic group of members who had plenty of fishing tales to share. Sadly we had no anglers with fish to weigh.

The "Fish of the Month" Offshore species went unclaimed although Noel caught a Grey Mackerel, unfortunately it was a bit short on one end. No Cod caught, so next month a Bream will be worth \$100. (Dangle a line off the pontoons or head up the estuaries), a Mac Tuna will be worth \$350, that's more than you would get at a Japanese Fish Market. Hope to see more members on a fine Sunday 17th March*. By the way that is the Boat Club's Open Day so if you aren't fishing come down and promote the "Fishing Section".

Tight lines and cheers.

Ralph Bowler

Back to Tangas

The team on Over It fished Back to Tangas in pretty awful weather – unfortunately no bill fish. They did have a triple hook up on small yellow fin and tagged all 3 but on Sunday got busted off by a Black and later lost a big Spanish at the transom.

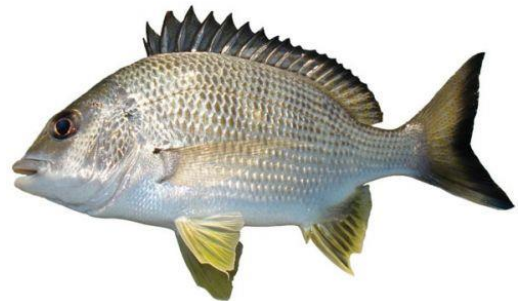

The club's newest member John Donnelly (on the left) – flew all the way from NZ to fish the Back to Tanga's comp on Over It. While no bill fish were caught in that comp he caught this sailfish the next day on Filthy.

Remember, club fishing weekend starts on midnight on Friday **15th March** finishing on **Sunday 17th March** at 3.30-4.30pm.

Your Tacklebox editor has just returned from time away in Rarotonga in the Cook Islands.

We chartered the Wahoo for a mornings heavy tackle fishing – dropping the lures the minute we left harbour into nearly 800m of water. A dull first hour and then bang – hooked up to a large blue marlin on a flying fish dead bait (fish estimated by the deckie at 120 – 150kgs).

No tagging or IGFA rules here – the skipper wanted the fish in the boat however after some initial spectacular jumps it appears it had spat the hook but then we'd foul hooked it. Two and a half hours later, and with everyone taking a turn, we'd had the fish to the boat twice, along with two free swimming mates of his! We just couldn't get any purchase on it and it would swim away again – eventually on full lock it predictably ` broke the line.
