# Chairman's Report

Well my time is up!

Last year at Nomination time I was asked to assist with being Chairman. At the time I was hesitant to take on this role with loving to fish but not knowing the nitty gritty on rules etc. Upon acceptance I did explain “ **that I will give it ago**” and also “ **I can not monitor messenger**”. With working full time, I have tried to assist in my best way especially for the Australia Day Tournament when I was actually working in a different role allowing me a bit more time. I believe our tournament team for 2020/2021 did an excellent job where we hunted for sponsorship, prizes and myself facilitating the organisation of this tournament. With covid rules upon at the time, we did an excellent job at profiting over \$12,000. Following on from Australia Day Tournament saw myself been offered a National role with more responsibility and less time to fit in fishing, babysitting on the weekends and renovating our exterior of house. I look forward to just being a fisherman again and thank all of the members for their support over 2020 and 2021.

Best regards,

Maddy

# *Club Captain's Report*

G'day all,  
haven't been out for much fishing this month every time I could go the weather didn't want to play nice. So with the bad weather on I got into a bit of boat maintenance. Our next meeting on the 11th of August is also our AGM followed by our presentation dinner on the 28th.

Don't forget that it is still closed season for snapper and pearlies until the 16th of August. there is also some fresh water river closures between the 1st of August to the 31st of October to protect the Mary River Cod the list of closed areas is on our fb page and also on Queensland Fisheries fb page.

# QGFA Report

QGFA Report July 2021

Hi Members. Welcome to the new fishing season. Not many reports of game fish being caught locally. Hopefully we can get some decent weather soon to allow anglers to get out wide on a weekend and maybe catch a Blue or Stripie.

Brad and I will be travelling to Airlie Beach for the AGM on August 27, unfortunately it means we will miss our Presentation Night.

The Northern Zone clubs are running tournaments at present, but not many reports coming through.

Email me if you hear of any reports and don't forget to send in any photos you have to Noel for our Tacklebox.

Enjoy your fishing and tight lines.

## August Report

It has been a very slow start to the fishing year for me, with the "Kingfisher" still out of action, in the backyard surrounded by weeds and dog poo. No motors and wire poking out of the side console. Hopefully this situation will improve over the next month. It has too, because it has a trip north for the ANSA Fishing festival and a date with some Barra soon.

Our plan is to leave home on the 26<sup>th</sup> Sept for a few days at Baffle Creek and then to Yeppoon on the 29<sup>th</sup> to fish the Fitzroy river. Ansa festivities kick off on the Friday evening, run through the weekend and finish up on the Sunday with a quick AGM. Then down to the pub to watch the NRL GF. Most will trundle home on the Monday public holiday but Vaughn and I will be staying on for another week.

If anyone has some good fishing spots in Baffle creek, feel free to share. I have never been there before and would some information.

Whether you attend the ANSA AGM or not, if you are interested in a position on the executive, come and have a chat to me. Don't be shy. If you feel you have ideas and a willingness to get involved, then give it a go. Don't die wondering, Planning for our Sportfish Competition is about to rev up so if you have any suggestions, sponsors or would just like to assist, please talk to Vaughn.

I recently dropped into have a look at the Westvale boat ramp, which is at the Villeneuve end of Somerset Dam. This ramp is perfect for small boats and kayak fishing. This ramp gives you great access to very nice Bass and Yellowbelly country. There is probably a few Saratoga getting around there too. Also, if you have no boat you can fish from the bank here. Check the spot out on goggle maps.

I have many fishing tips, fishing reports or interesting idea to share this month because the cold shitty windy and sometimes rainy conditions have not inspired me at all. I hope the next month is heaps better.
