Chairman's Report March 2020

Hi everyone, we have certainly had some welcomed rain during the last month. I know a couple of members who have taken advantage of the movement of mud crabs, picking up a feed or two. I tried myself but only managed to find undersized crabs and one big jenny, that all went back. The fishing has been a bit restricted with only the very hardy going out.

Last month's monthly meeting was a cracker with a few new members turning up and Noel's famous "Safety Trivia". It showed us what we didn't know and brought some members up to date with the newer fishing regs.

This Monday night we should have a representative from the Dept of Primary Industries and Fisheries to talk to us about "Boating Infrastructure in the Bay". It will be a good opportunity to ask questions and find out where our boating registration money goes. April's meeting was going to be Easter Monday, but looks like we will have to hold it on the Wednesday night.

Our last Weigh-in afternoon got off to a slow start as the MBBC were not aware where we were having our barbeque. I had booked the Deck because the weather was predicted to be wet. As it turned out we had sunny skies and held the barby on the grass. We welcomed quite a few members from the Sailing Section of MBBC who we had invited to see what the "fishos" get up to. It was a great afternoon, however the fish of the month didn't go off, so we have another jackpot this month.

Preparation is well on the way for our April Sportfish Competition. This will be a great opportunity for everyone to join in. It will be held on the weekend of our usual weigh-in in April. The game fishing members won't need to take out ANSA membership, so no excuses. Hopefully there will be plenty of kids fishing as well. There are some great prizes including a prize for a "mystery length" worth \$200 cash. Anaconda at North Lakes have agreed to sponsor us as a "Silver Sponsor". Hope to see a good turnout on Monday night and again on Sunday afternoon. Tight lines.

Ralph

Weighmaster's report: February 2020

There was a great turnout to the weigh-in last month on the grassed area, with several fish to be weighed. Noel brought a Tusk fish (1.04kg) and a Tarwhine (0.48kg) to weigh, while Vaughn and Yvette weighed some nice grassy's and a bream (≈ 0.5 kg). Although none of the nominated species were weighed, it's great to see members getting out and participating on club weekends.

Next months fish will jackpot! Mackerel Tuna (\$300) and Bream (\$150)

See you all at the March Weigh-in.

Happy fishing.
