MORETON BAY BOAT CLUB

Next Club Meeting
will be on the
10th NOVEMBER 2021 starting at
7pm

Chairman's Report

Bare foot bowls day will be the 21st November get your forms in now, we need numbers by the meeting on the 10th thanks.

Thank you John Schultze, Neil Bailey and Lynn Day for helping out with selling the tickets in last month's Friday night raffle, we made a record \$600 profit.

Our Sportfish comp is only 2 weeks away now let's hope we have some good weather for the comp. Early entry closes 6pm on the 5th November good luck.

We are in the process of getting some long sleeve club fishing shirts made, more on this to come watch this space.

Preparations are well on the way for next year Australia Day Billfish Tournament with the committee working hard on getting everything ready for it.

Can everyone make sure their capture sheets are filled out correctly, only fish on the club eligible species list in the fishing rules can be counted for club records. Species on the ANSA species list may be added to your ANSA account and count toward any competitions currently running on ANSA.

Stay Safe on the water

QGFA Report

QGFA Report

Hi members. Once again not much to report. The Mooloolaba Billfish Bonanza was postponed to the weekend of November 6th and 7th due to weather. The Hervey Bay tournament is on this month with a crew heading up there from Redcliffe. Maddie and Sharyn are going to fish the Ladies Ribbons event from Cairns, flying the flag for our club. Planning is going well for our Australia Day Tournament. The shirts and trophies have been ordered and many prizes organised. Still quiet on the local scene as far as Billies go. We need to get out and tag a few. Cheers Ralph

Club Captain's Report

G'day all,

I didn't get a report on last month because I was in Rocky fishing the Fitzroy river with Mick and Noel for the ANSA Sports fishing festival and AGM. We camped in Yeppoon with a number of guys from other clubs, many beers and stories were had and it was a great atmosphere. The Keppel club put on a great event with a Friday bbq at the park and at the local pub on Saturday night.

To all ANSA members I highly recommend getting along to one of these events, next year's is being held by the Kingaroy club at Lake Boondooma.

Our Sport fishing comp is almost upon us, don't forget to enter before Friday the 5th to go into the early bird draw.

Weighmasters Report

Our last “weigh- in barby” on the 17th Oct was well attended. Good to see Greg and Karen joining us. We also saw our new members come along for a sausage and a chat. No nominated species were weighed-in but Noel, Frank and Tony weighed some nice Snapper. Remember that if you weigh fish on the club weekend you receive double points. This month we will be holding our Sportfish Competition so get your entries in early for that. Our regular species of the month will also be conducted on the 14th. This month the fish we are looking for are Mahi Mahi and Salmon. All we need is some good weather. Tight lines. Ralph

QLD SPORTFISHERS

Australian National Sportfishing Association QLD

Just a quick wrap up from my trip to Yeppoon for the ANSA Keppel Bay Fishing Festival. Our club had 7 ½ people attend the event and 9 separate clubs had members attend. Next year the festival will be held at Boondoomba Dam and the planning by hosted club Kingaroy SC is well underway. There are so many fishing options available in the Yeppoon/Fitzroy River area. The fishing can be challenging but very rewarding. The boats that went well offshore caught plenty of reef fish, The inshore boats caught Mackerel and the river fishos caught mostly Barra, King Salmon, sharks, Cod and Flathead.

The “cutaway” on Casuarina Creek was probably the hottest spot on the river during the neap tides. We witness several Barra caught here and from reports several dozen Barra were caught in this spot over the week. Also, a great King Salmon spot. The most successful technique was live prawns. Vibes were the best lure for the Threadfin. Keep it in mind if you get up there.

Report from a few mates that Awoonga and Monduran Dams are firing for Barra, most fish in the 90cms and many over the \$.

A warning for boaties. Never leave your earmuffs on after flushing your outboard. I recently had a report from a friend who knew someone, blowing up his motor this way. \$4000 to fix. Hopefully more fishing to report next month.

Tight Lines

Big Mick
