Chairman's Report

HAPPY NEW YEAR!

I hope everyone has had a Merry Christmas with their families and friends. I am looking forward to the upcoming year with plenty of fishing and for the weather to improve.

Christmas weigh in was a great success with almost 60 members and family along in attendance with Santa handing out the presents. Aaron Watkins taking out the Bream while there was no Wahoo weighed meaning offshore jackpots to \$200 for January.

The Game fishing has started to hot up with some nice Mahi Mahi being caught and billfish being tagged including the 1st for the club to Brad Clayton, congratulations Brad. The Australia Day tournament is fast approaching so get your early entries in.

We will still be having our January club weekend on the 15th & 16th as per usual which will give a few the chance to find some fish for the following weekend, our Australia Day comp. See you all at the general meeting on the 12th. If anyone has Billfish tags they are not using or intending to use can you please return them to Ralph so we make sure we have plenty for the Tournament.

Stay Safe on the water

Happy New Year everyone, let's go fishing.

In the Champion Club category, we are still sitting in 6th position behind Hinchinbrook and Kingaroy. I would like to suggest a few species that members might like to target to add to our list. These fish are regular visitors to our area and catching them would be very achievable.

Dart – Bribie Beach has plenty of Dart, just use worms.

Garfish – Snub-nose are in the dams while Redcliffe reef has Sea Gar

Mulloway – Can turn up anywhere but best spots are Bribie, Brisbane River and Cabo River.

King Threadfin - I thought Nigel could contribute here.

Saratoga – I should be able to look after this one.

Striped Tuna – Common as out in the deep water.

Spotted Mackerel – Fish the Pearl Channel with unweight pilly will do the trick.

Bonito – Watson Leaping Bonito can be very come in the Bay

Wahoo - One for the game fishos.

Giant Trevally – May small ones in the Pine River on lures.

Pearl Perch – I thought Noel would have catch one by now.

Mullet – A burley with bread and small hook

Tailor - Maybe later in the year around April will become more of a target.

Kingfish – These things are everywhere outside on the North-West nav markers.

Other fishing species worth having a crack at and are what you would consider locals are Rosie Job fish, AJs, Cobia, Fringe-eye Flathead, Mackerel Tuna, longtails and Mangrove Jack.

To be a better fisho, you should target your fish and not just hope for whatever comes along. Have a bit of a plan and do not give up. You will have some fishless trips but remember that persistence pays. Hope this encourages a few members to have a crack.

Ladies Ribbons Cairns Tournament

Hi guys

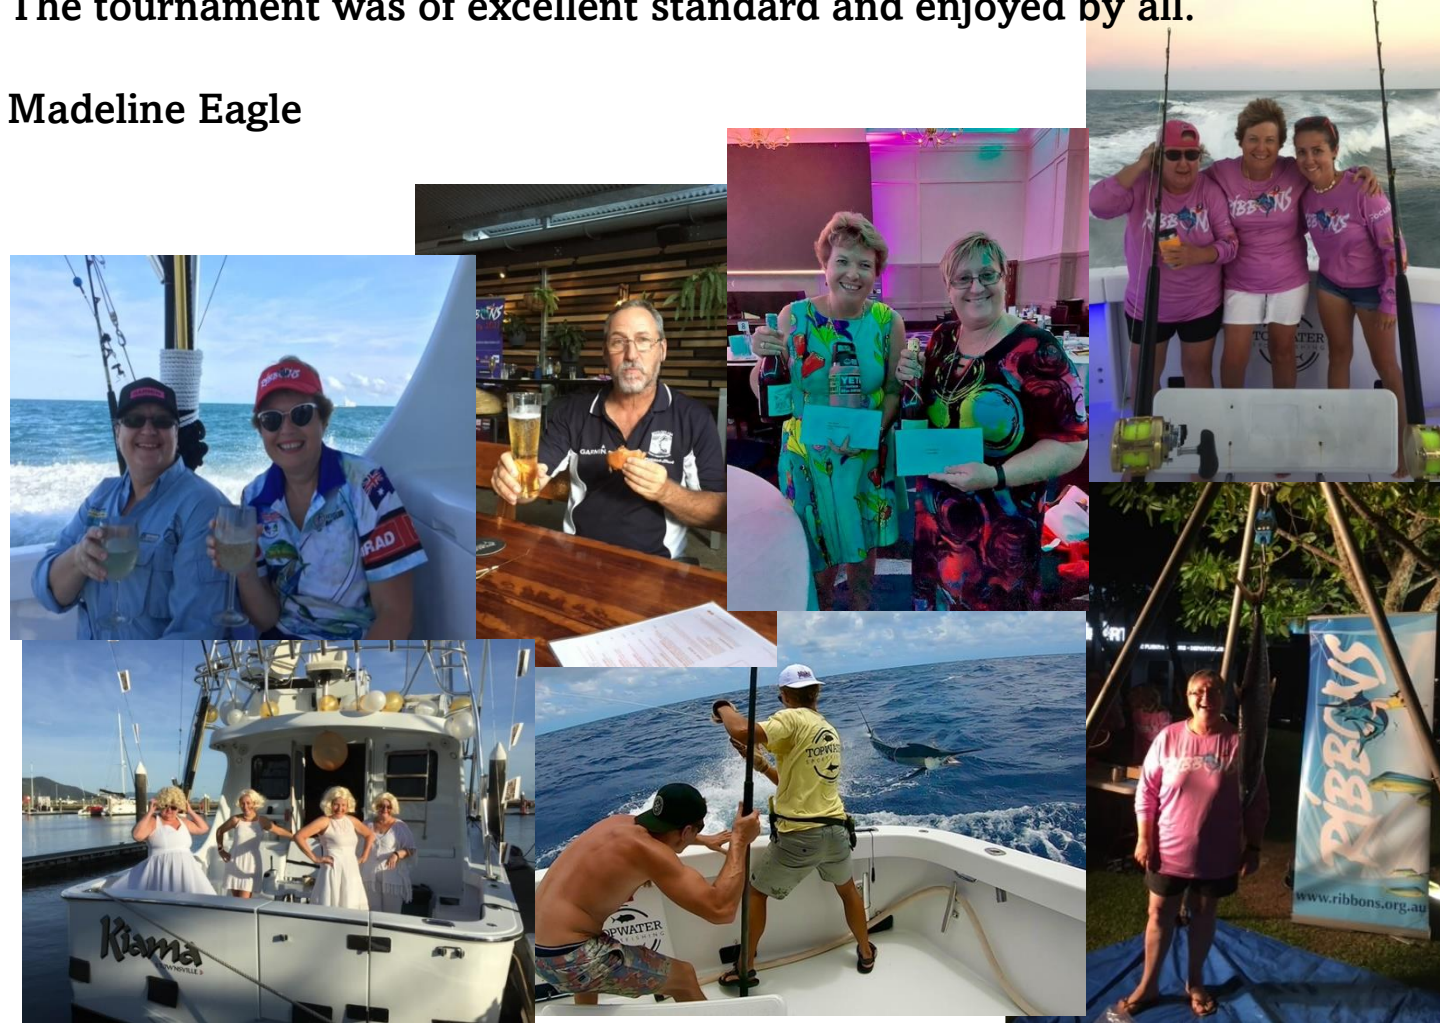

Well it started out as an idea and then it became reality. Sharyn and myself headed up to Cairns to compete in the ladies ribbons tournament, Brad supervised our drinking levels.

In high 34 plus degree heat we dressed up the boat for our sail past competition and then headed out into 20 knot winds for the day to try and get those big billies. After an early champagne the fish came on with Sharyn's rod going off with Spanish Mackerel and then the big hit for a billy. Big day out and coming into weigh just before 8pm.

Next day we all celebrated a Gala evening at the Pullman hotel where lots of laughter and memories were highlighted on the big screens. Overall we scored 3rd place in Kiama and Sharyn won Champion Out of Towner Angler and we also won the best happy snap.

The tournament was of excellent standard and enjoyed by all.
