TACKLE BOX JUNE 2018

FROM OUR CHAIRMAN

Finally we are starting to see some decent weather as we come into the cooler months giving everyone a chance to get out for a fish.

May saw a group of us travel to Somerset Dam for the club weekend and chase the Bass. There was several Bass caught along with a couple of nice Golden Perch. It was a great weekend and the nights were fun sitting around the fire. I managed to get plenty of Red Claw in the pots and to add to the attraction there was a Red Claw race, although mine decide to play dead but he did taste good.

Last month's BBQ Club weigh in was very quiet with so many away touring around different parts of the world I hope everyone has had a fantastic time, looking forward to hearing the stories.

This month club weekend is our Annual Sportfish competition hopefully everyone will be there for the sportfish comp so get your entries in, rules and entry forms are in the tackle box.

There was an email sent out last month re the changes to the depth for Heavy Tackle for Q.G.F.A., we will be having a vote on this at the meeting and our club's reply with our decision has to be back to Q.G.F.A. by the 22nd June so please attend and have your say. If you can't be there send an email with your thoughts and vote.

Moreton Bay Boat Club's annual A.G.M. was held on the 28th of May, I would like to congratulate the new board and look forward to working with them over the coming year.

Good luck fishing and stay safe.

Noel

Q.G.F.A NEWS

GFAA RULE CHANGE - effective immediately

Hi all

Below is the result of deliberations of the GFAA Executive at its meeting on Saturday, 26th May, 2018 concerning Rules Item 1 which can be found on page 63 of the 2018 GFAA Journal.

CLARIFICATION TO ANGLING RULE 1.

If the mate is letting out a bait or lure and the reel is in free spool, the rod can be put back in the cover board. Under no circumstances can any drag be put on the reel or the rod be handed to another person. This situation is legal. The rationale is that the hook has not been set with the reel out of gear. When retrieving a bait or lure the fish would be disqualified immediately if the rod is put back into the cover board or transferred to another person as the reel is in gear and the hook has been set.

The new wording will appear in the 2019 Journal.
