Chairman's Report

We had a group of members trip up Stanage Bay earlier in the month for a week fishing with some great results. Brad found some new grounds for some quality Nannygai while there were plenty of other quality fish landed, I'm sure the stories will follow.

Well we finally got Greg Evans boat "Dreamtime" wet even though it was blowing from the North we got out into Deception Bay for a trial run, not much fishing was done but he was able to sort out a few things, should be many more trips now.

Our annual Sportfish Comp is only a few weeks away now 12th - 14th November so get your teams ready. Forms are on the back and more details available on our website.

Our Friday Raffles at the Boat Club was a great success again raising \$576.00 for our fishing club. This money all helps in the running of the club, thank you to those who supported us.

I travelled to Yeppoon for the Annual QLD Sportfishers A.N.S.A. Conference at the end of the month and while there was some nice fish caught by our Mick King prior to the conference we didn't do so well on the day, our new trophy will be displayed at the next meeting with more in next months tackle Box . Both Mick King and Vaughn Daly are away fishing look forward to hearing from them at the meeting.

Stay Safe on the water

QGFA Report

On the local scene there have been no reports of any billfish being caught except for a Sailfish off Mooloolaba last month.

The tournament scene is also quiet with all the activity up north.

The Whitsunday's Tournament was held last weekend with none of our southern boats winning any trophies. Apparently, the winning boats were from Mackay. The Weipa Tournament has also been held with quite a few fish tagged on the first day, but no final results are available at the moment.

At the end of the month, we have the Mooloolaba Billfish Bash and the Gold Coast Tournament, details are available on their websites if you want to enter a team.

Planning for our Australia Day Tournament is well underway with Maddie Eagle heading up the Committee and the whip is cracking. We were hoping to change to 10kg for 2022 but no other southern clubs can change yet so we will stick to 8Kg. You can look forward to some other exciting changes though and great prizes. If you want to be a part of this dynamic committee see Maddie or myself.

Hopefully the weather will continue to warm up now and the winds die down so we can catch a few fish.

Enjoy your fishing and tight lines.

Weighmaster's Report

Sadly I missed the last weigh in and barby but I was in Stanage Bay hauling in some nice fish. I understand that Diego won the Offshore species with his Snapper netting him \$350. Neil Bailey won the Inshore species with a monster(??...///) Whiting earning him \$50.

Don't forget to come down On Sunday the 17th and why not bring a friend or "relly" to swell the numbers . Both species will be back to \$50.

The offshore species is Pearl Perch and inshore Javelin fish (Grunter).

Don't forget next month will be our Sportfish Comp.

Hopefully we can all get out and catch a few. Cheers Ralph
