# Club Captain's Report

G'day All,

Hope you all had a great Christmas and look forward to a Happy New Year with some good fishing of course. Thanks for a great turn out to the Christmas BBQ despite the weather, all enjoyed and had fun especially the kids. Santa showed up "ring a ding ding" making the afternoon entertaining to say the least, thanks Santa. A big thanks to Maddie and John for hosting the BBQ at their place and for all others involved in setting up for the afternoon.

If your on Facebook you will have noticed I regularly put up the fishing reports from tackle shops and charters from Hervey Bay to the Tweed. If you wouldn't mind sending me through reports of what your catching and general areas of where your catching for a better idea of what's around and to share with other members, if you can email me at [clubcaptain@rpgsc.com](mailto:clubcaptain@rpgsc.com) that would be much appreciated.

Next month is the Australia Day Billfish Tournament on the 23rd and 24th of January with registration being Thursday the 21st of January, download your entry form from the web site.

FISH ON!

# Weigh master Report

G'day Gang,

A fitting last weigh in for the year that was 2020 – it was cancelled. The rubbish weather kept us away from our beloved club area and the fish. Good news is that means JACKPOT!!

Offshore species can be either **Seriola lalandi** or **Rachycentron canadum** variety - \$150.00

Extra brownie points if the weigh master gets to take a slab of one home 😊

And the inshore Species – **Trachinotus botla-**  
**\$100.00**

The January Comp is upon us, if you need tags let me or any of the committee know. Please remember we don't have them replaced until we send them back in so be mindful of how many you actually have and need on hand. They will be available on every day of the tournament and we won't run out.

Until then, keep a bend in it!

January Report

Below is an email from ANSA Recording Officer Helen Johnson in regard to Eligible species list review: -

## REVIEWING THE ELIGIBLE STATE SPECIES LIST

At the state AGM this year, it was decided to review the **STATE SPECIES LIST** in which ANSA Queensland branch follow, for

- Line Classes
- Trophy Lengths
- Species Challenge
- For Master Captures.

This list shows the different Species with scientific names and Trophy Lengths. (These are available on the Web site) To access Legal Lengths, Fight Factors and Bag Limits go to the Qld Handbook on the Qld web site under resources, Rules and Forms.

Our **OBJECTIVE** is to ensure that all species on our **QUEENSLAND SPECIES LIST** are obtainable both is length and availability to all Queensland State members.

This revision can be carried out with the use of the Qld Government Recreation Fishing Rules and Regulations and ANSA QLD Regulations as guidelines. This is your opportunity to have input to the revision of the State Species List. Things to review are:

- Species to Come OFF the present list and reason,
- Species to go ON the present list and reason,
- The legal lengths, and
- The Trophy Lengths.

Also, to make finding this information easier by having all this info on the one site.

**It is requested that your revised lists are returned to Helen by 1 March 2021.**

Any issues requiring discussion please call or email. The list will be presented to the State Committee and then onto the State AGM in 2021 for approval, then implementing onto the web site. Thank you in advance. Helen Johnson [helter5@hotmail.com.au](mailto:helter5@hotmail.com.au) Mob Ph: 0408055531

To view upcoming 2021 events visit [www.ansaqld.com.au/events/](http://www.ansaqld.com.au/events/) . Any ANSA Interclub, Fishing Festival and Tag-a-Long fishing weekends are open invitations. If another club is having a fishing event with a species or location that excites you, get in touch.

Cheers Mick

# QGFA REPORT

Happy new year,

Bribie Island have their tournament this coming weekend contact details are in the Dates & Events page along with all the other upcoming Tournaments.

Christy my daughter caught her 1st black marlin last week and looks like we will be getting some new club members. We went 7,5,1 on Wednesday at the Hards. There has been a few fish out there. I battled what we think was a yellowfin tuna of about 30kg on 8 for 50 mins before thumbing the spool(impatient). ☹️

There has been some good reports coming from the trench also.

Tight Lines,  
Ralph

For fun and fishing interest we are tracking the biggest of the species caught and most Billfish tagged in the 2020-2021 fishing year. Not worried about line class or what tackle used. Just email me at [noelday@optusnet.com.au](mailto:noelday@optusnet.com.au) and I will keep up dating the list and we'll see who catches the biggest. So stop mowing the grass or fixing the fence and get fishing...
