FROM OUR CHAIRMAN

Chairman's Report End November 2018

Somerset Dam weekend at the start of the month was a great weekend with plenty of Bass and Golden Perch on the chew and plenty of lies told around the campfire at night. These weekends are always good to socialise with other club members and get to know you fellow club members a little more.

October meeting's speaker Bob Dover was very interesting and I'm sure we all learnt something from the talk. We are having a guest speaker for our January meeting on bill fishing so don't miss that one.

Christmas is fast approaching and we still need children's numbers for the Christmas weigh in for Santa, I have spoken with him at the North Pole and he will be at our December weigh in to hand out the presents.

I'm glad to report there has been some light tackle action over the last couple of weeks in our area.

Our Australia Day Tournament in January is not far away now so get your teams together. We are planning another great weekend of fishing and camaraderie and if it's as good as this year was I am expecting to have a great time. Don't miss out, with cash & prizes worth around \$20,000.

Stay safe and good fishing.

Noel

Fish of the Month! Wahoo & Bass

To win the money for the monthly nominated fish inshore or offshore species, simply weigh in the heaviest **Wahoo** or **Bass**. All fish weighed, regardless of whether they are in for the 'fish of the month' must be labelled with the angler's name and line class. To receive double club points, fish must be tagged or caught on the Club Weekend only and the cards correctly completed and handed in or fish weighed in at M.B.B.C. from 3.30pm to 4.30pm on the Sunday. Prizes for the heaviest 'fish of the month' will be awarded at the BBQ on Sunday.

Remember, club fishing weekend starts on midnight on **Friday 14th December**, finishing on **Sunday 16th December** with a weigh-in and barbeque at 3.30-4.30pm. This month's species are **Wahoo** and **Bass**.

The next **Club Meeting** will be held on **Monday 10th December at 7pm** at the MBBC. All welcome.

A.N.S.A NEWS

Want to go into a draw to win a \$1,000 gift voucher from our kind sponsors at Motackle?

We thought so! All you need to do to go into the draw is catch a fish with a pink ANSA QLD tag, collect some details, take a photo and enter it into our online recapture form.

www.ansagld.com.au/recapture-form/

We currently have 27 species logged with ANSA for Champion Club , and sitting in about 5th on the ladder. As we start to catch more pelagic fish now it is summer, it would be great if we could take the time to measure our fish on the mat and grab a picture before releasing or filleting.

Our Yearly Sportfishing competition will be run a little early next year. We are looking at the 5th to 7th April to hopefully take advantage of better weather, longer days and fishing opportunities. April is usually one of the best times of year to go fishing. Having the comp in mid-winter just because it spreads out the events is not always a good idea. We are looking to make it an ANSA event and invite members from other ANSA clubs, therefore we will be making some changes to the rules. The comp will be more focused on measure and release rather than weight fish for points. More details to come.

I know the ANSA name is deeply entrenched in our brains but we will probably be referring to ANSA as QLD SPORTFISHERS more often. If anyone needs assistance logging in fish, feel free to ask for help. Also if you only have QGFA membership its not to late join ANSA as well.

Weigh Master's Report

Another great "Club Barbeque" weigh-in afternoon for our November weigh-in, with clear and sunny weather although the wind put a damper on fishing, the threat of rain didn't eventuate. It was fantastic to see a reasonable turnout of members considering that some members were fishing the Hervey Bay Tournament.

Erin was the star of the afternoon with Dad Carl weighing in her first fish. She caught four Diver Whiting over at the Cockle Banks where the family caught 23 in an hour for a combined weight of 2.08Kg. Great to see another Junior entering our ranks.

I have had our scales in for their annual check-up, all Certified ready for a good Summer. Remember for club weigh in and club points you can use your own scales if you've had them checked against ours for accuracy. It's an easy process if you bring them in to me, takes about 5 minutes.

Next month (December) our species are Wahoo and Bass. The Bass have been "going off" in the dams, no doubt the Sports-fisher people will be out after the big cash jackpot. Hopefully the Pelagics will start showing up in numbers now. Get out there and enjoy the warmer weather, I hope you bring in heaps of fish for the weigh in.

Cheers

Ralph Bowler
