will be on the**

8th September 2021 starting at 7pm

Chairman's Report

I would like to thank all last year's committee for their efforts and welcome the new committee, I hope we can continue to make our club great. Our major presentation night was a great success, congratulations to all the Winners, full list on page 7 . Unfortunately due to Covid restrictions we were unable to have the numbers we would have liked to have had there. I was very honoured & humbled to be given life membership into our club, thank you for putting me in the same category as our other life members who have dedicated so much time in the past.

Our sportfish Competition is approaching quickly, it is being held on the 12th – 14th November so start getting your teams together and lock in the dates. There will be 3 categories once again Beach, Bay & Offshore so everyone is catered for.

The steering committee for the Redcliffe Australia Day Billfish Tournament are starting to get sponsorship for the comp if anyone would like to help out please see Madeline Eagle.

The Snapper and Pearl Perch closure finished on the 15th August, Jeff Ahchay has made the most of it with some nice Snapper but still won't give me the GPS mark (Cover Photo).

I was happy to receive a recapture certificate from QLD Sportfishers for a Bass I tagged in Lake Borumba 4th March 2018, but as it wasn't measured on the recapture so there was no growth recorded, it was 1262 since I tagged the fish and it travelled 5.65km's.

Looking forward to seeing some great catches happening once again this year.

Stay Safe on the water.

Noel

SIMRAD

Club Captain's Report

G'day all,

Thank you for electing me as your Club Captain for another year. I am in the process of organising another camping weekend in the near future as well as a couple of social events, for example maybe a bare foot bowls night.

The ANSA AGM and sports fish festival is coming up on the weekend of October 1st to 3rd, being held at Yeppoon hosted by the Keppel Sports fish club. Our Sports fishing Comp is on November 12th to 14th, this event is open to the public as well so invite a mate who isn't a member and introduce them to the club and what it has to offer.

QGFA Report

I am writing this as I sit on the plane heading to Airlie Beach for the QGFA AGM. Other than the AGM there isn't much happening. There are some tournaments happening in the Northern Zones. In October there will be the Hervey Bay comp and the Mooloolaba Bash. It's been quiet on the fishing scene as well. Apparently there have been some Sailfish showing up off Mooloolaba. I hope the Presentation Dinner goes well and congratulations to all the winners.

Tight lines. Ralph

Weigh Master Report

Hello members. I am looking forward to serving our Club as weigh master for the new fishing season. I am sorry that I was unable to attend the AGM due to a trip that Lorraine and I planned months ago. Unfortunately I will miss the first weigh in in September also as I will be fishing at Stanage Bay. When I get back I will be available for tags and checking your scales with our certified scales. I want to thank Greg for the last 12 months and wish him a speedy recovery.

Enjoy your fishing. Ralph

QLD SPORTFISHERS

Australian National Sportfishing Association QLD

September Report

Everyone will be happy to know that “Kingfisher” is back on the water with a new 4 stroke Merc 40hp and Lowrance Elite sounder. No fish will be safe.

I would like to thank Frank Downey for the ride last club day. We had a great time. We caught a mixture of Bribie Passage regular species. Interestingly we caught about 8 Flathead, and they were all Bartail Flathead. No Dusky Flathead. I also caught a Parrot fish, but it was one millimetre short of \$300. Just a word of advice for anyone invited out on a trip with Frank. He probably won't have bait, a bucket, an esky or ice. At least he didn't forget to put the bung in the boat.

The Keppel Bay Fishing Festival is not far away. If you plan to come along, register on the website at - <https://www.ansaql.com.au/events-register/> We just need to know numbers for catering and Covid rules.

Champion Club update, we are way down the table in sixth position. So, make sure you are checking out the list, taking pics and submitting captures. Also, all your fish are automatically calculated for points if they are over the trophy length. It is your ten best fish, and it will upgrade once you reach ten fish.

The ANSA website also has a Bucket List for all the fish you submit. As an example, I have 35 species listed and Noel Day 54 species.

I suggest that everyone in our club have a think about what fish they would like to tick off their personal bucket list this year and give it a red hot go. Hopefully, this will motivate you to get fishing. I will nominate mine now. I will be nominating the elusive Murray Cod. I have tried many times to catch these buggers and have seen a few caught. This species does not like me at all. But this will be the year.

July 21	Amberjack	No Winner	Tailor	Andrew Burke
August 21	Parrot/Tusk fish	\$300	Flathead	Diego Zambrana
September 21	Snapper	\$350	Whiting	\$50

To win the money for the monthly nominated fish inshore or offshore species, simply weigh in the heaviest. All fish weighed, regardless of whether they are in for the 'fish of the month' must be labelled with the angler's name and line class. To receive double club points, fish must be tagged or caught on the Club Weekend only and Capture sheets correctly completed and handed in or fish weighed in at M.B.B.C. from 3.30pm to 4.30pm on the Sunday. Prizes for the heaviest 'fish of the month' will be awarded so you must be there.

Reminder, club fishing weekend starts 4.30pm on Friday now and finishing on Sunday at 3.30pm.
